ARCHITECTS

*** JOB OPENING ***

ARCHITECT-Intern Architect position with Palo Alto firm.

TOPOS Architects seeks a designer/drafter to handle all aspects of architecture and construction management.

We specialize in custom homes and light commercial projects in a small, dynamic office in downtown Palo Alto. ArchiCAD and construction experience is helpful; enthusiasm and good communication skills are essential.

The successful applicant will demonstrate a strong aesthetic sensibility while being detailed oriented and highly motivated. Competent construction documentation skills and good project management abilities are a must. BArch degree and 1-2 years experience are required.

Full-time on-site employment only. Local candidates preferred. Please e-mail resume to info@toposarchitects.com.
